一個非一般的 interact re-u!

話說，時常扮年青的霍叔叔，跟2009-11兩支BPS interact莊的師友情誼非淺，兩支莊合共17位莊員 (包括3位橫跨兩莊的) 和兩位導師，時刻在fb保持聯絡及耐唔中出來re-u一下。

眾所週知，音樂及合唱皆是 BPS 的強項。約三年前，其舊生與合作無間的九華舊生，以兩間母校校服顏色為名，組成了 The Greeners' Sound (綠韻) 合唱團，演唱曲目包括藝術歌曲、民族歌曲、聖樂及現代音樂。短短的幾年間，已在本埠及國際比賽屢獲殊榮，如在第九屆釜山合唱節獲古典混聲合唱銅獎、65屆香港學校音樂節獲公開高級混聲合唱組冠軍、2013香港國際青少年合唱節獲青少年男女高低混聲組金獎...等。這團約有40位成員，當中多位(包括現任團長Harriet) 乃上述兩支interact莊的莊員也！

十一國慶那天，適逢The Greeners' Sound在牛池灣文娛中心舉辦週年演唱會，霍叔叔自然大拉莊隊去捧場一番。除了兩位在外留學、一位不暇、一位讀書讀到乜都唔記得外，所有莊員連導師Ms Kan都到齊。當晚四位莊員與其他Greeners在台上隊列整齊獻唱，台下卻有我隊整排十一人在第五行正中位置替他們拍掌歡呼，成為構圖特別、非比尋常且意義十足的一次interact re-u！

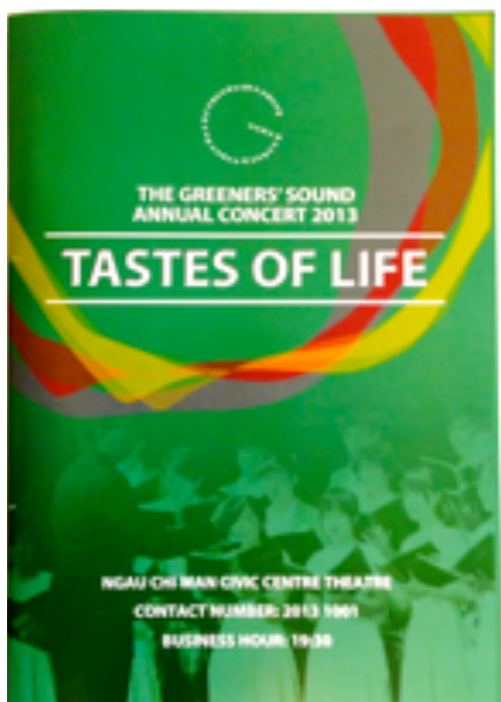

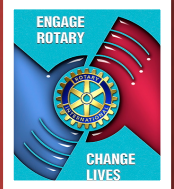

有心成為interact advisor者，請向我們下莊莊主Alfred示意。欲免向隅，報名從速！

With honourable invitation from Mrs. Sonja Shih of Hong Chi Association, our Rotarian, Wallace formed a team of 4 to participate the “29-floor Team Relay” charity stair run and provided training for the team during 3 weekends in September.

There were 3 members from Pedal Café, including Ka Wai, Ah Wo and Chung Sang who were strong with high spirit in joining the event in Central Plaza on 5th October 2013 and successfully finished the stair run in 5 minutes & 38 seconds.

This meaningful event did provide a good platform for both members of the Pedal Café and our rotarians with and without intellectual disabilities to get to know each other and formed an integration team in the race.

Just like their slogan: “Aberdeen win win win; 匡智廊, 一定得!”

Vocational visit to Love and Hope Fashion

The purpose of forming a company is usually to create profit and wealth.

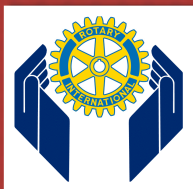

On 12-Oct-2013, we had a vocational event to visit a profitable company that also has another aim - to serve our community.

Love and Hope Fashion is located in the Tuen Mun industrial area. On this sunny Saturday morning, Fok, Ada and Eddie were the first to arrive and waited in front of the industrial building. To show our club spirit, we all put on our club T-shirts (or club polos) for the activity. All members and friends began to make our way up to the 12th floor when everyone arrived. The company boss Ada Ho was there to greet us. She is a strong lady with mission and lots of energy. President Matthew and IPP YC have met her before as they visited the company a few months ago. We all settled down in the meeting room surrounded by glass and she started telling us the history of L Plus H Fashion. BPS students were also invited and they were listening carefully. This knitwear company is committed to creating positive impacts on the lives of our local workers. These skillful workers lost their jobs because textile manufacturing shifted north to the Chinese mainland many years ago. Here, L plus H Fashion provides a clean working environment to design and make world-class knitwear clothing totally in Hong Kong. Cynthia, captain Koo and many members were very enthusiastic and asked questions at the meeting. Afterwards Ada Ho showed us around the factory. During the tour Daniel, Wallace and Alex took a lot of nice pictures for us. CP Albert, Jacky and Gary were interested in their process of production. We finished the tour at around 12:30.

L and H Fashion creates meaningful job opportunities for local workers and designers. It is great to see them restoring their self-worth and dignity. We wish every success for this good company in Hong Kong. I must thank all members, families and guests for participating this Tuen Mun vocational event. After the visit, we all went to IPP YC's beautiful home for tasty European hairy crabs.

2013.10.24 - Meeting with BPS School
Rotary Club of Peninsula South
Official Bulletin 2013-2014
Volume 22 Issue 3 October, 2013

A meeting with the BPS principal Mr. Chan Tsze-ying, Assistant Principal Ms. Yeung Kwong Mong-ha and the Interact Club I/C teacher Ms. Kan Mei-yee was held in BPS on 24th October 2013. From Rotary, President Matthew Wong, Chairman of the Youth Service, PP Alex Li, Interact Advisor PP Albert Yao & PP WH Fok together with Ms. Joyce Ho (sister of PP Bessy Ho) were all in the meeting.

In the meeting, the functions organized under Adopt A School and BPS Interact Club for year 2012-2013 had been reviewed. It is hoped that successful experience and areas to be improvement for both School and our Club can be evaluated.

For year 2013-2014, the BPS Interact Club would be running in a tight schedule as before, they are also invited to join our blood test program for the Mongkok Kai Fong Association in April 2014. Each Interact Club Board Members, same as last year, is invited to join our luncheon meeting once for free during Rotary year 2013-2014.

It is also hope that the students can participate more in Rotary, such as our District Conference, to broaden their view in Rotary. This is in pace with their school motto, Climb High See Wide.

Apart from the program mentioned above, the IU trip to Macau is obviously one of the high light of the Interact Club. Although it would be Macau again this year, it always fills with opportunities to share and to enjoy.

Being a school base cooperation, Adopt A School, would continue with the fusion effort from BPS, Rotary Club of Peninsula South and Ms. Joyce Ho. Joyce started the Oral History Project last year with BPS and was certainly a success and meaningful program. On behalf of the Club, we would like to thanks Joyce for the effort and contribution.

Youth service is always a import area of Rotary. To sow the Rotary seed, to grow the Rotary spirit and to fulfill the Rotary mission, it all should be start from our youth.

With the BPS girls of the undoubted quality, I trust, the fruitful results are within our reach.

Chairman of Youth Service

Alex Li

ROTARY MOTTOS

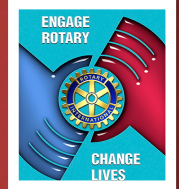

The first motto of Rotary International, "He Profits Most Who Serves Best," was approved at the second Rotary Convention, held in Portland, Oregon, in August 1911. The phrase was first stated by a Chicago Rotarian, Art Sheldon, who made a speech in 1910 which included the remark, "He profits most who serves his fellows best." At about the same time, Ben Collins, president of the Rotary Club of Minneapolis, Minnesota, commented that the proper way to organize a Rotary club was through the principle his club had adopted-"Service, Not Self." These two slogans, slightly modified, were formally approved to be the official mottoes of Rotary at the 1950 Convention in Detroit-"He Profits Most Who Serves Best" and "Service Above Self."

The 1989 Council on Legislation established "Service Above Self" as the principal motto of Rotary, since it best explains the philosophy of unselfish volunteer service.

ABC of Rotary by Past RI Resident Cliff Dochterman (1992-93).

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is The 4-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as RI president) when he was asked to take charge of a company that was facing bankruptcy. This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The 4-Way Test has been translated into more than a hundred languages and published in thousands of ways. It asks the following four questions:

Of the things we think, say or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to ALL Concerned?**
- 3. Will it Build GOODWILL and Better Friendships?**
- 4. Will it Be BENEFICIAL to ALL concerned?**
